

COLLEGE FARMER GIVES PRIZES

Ten Dollars Offered for Best Essays on Popular Sentiment.

Ten dollars will be given as first and second prizes for the best articles turned in to the College Farmer on the subject of "Public Sentiment and the College of Agriculture—How the Student May Influence It."

A check for this prize money was recently received by the editor from M. B. Greenfelder, a former student in the College of Agriculture, who founded the College Farmer. Mr. Greenfelder says that he wants the students to think about what they owe to their college and how they can impress the folks at home with the value of the college.

All articles should be dropped into the College Farmer mail box in the corridor of the Agricultural Building.

STUDENT KILLED IN BOWL FIGHT

Six Others Injured in Class Scrap at University of Pennsylvania.

PHILADELPHIA, Pa., Jan. 13.—One student was killed and six others were injured in the annual bowl fight yesterday between the freshmen and sophomore classes of the University of Pennsylvania, which was won by the first-year men.

The young man who lost his life was William Lifson, 17 years old, of Elizabeth, N. J., who was taking a course in arts and science.

Lifson's death was the first fatality in the long list of bowl fights since 1870, although there have been men injured in these contests.

The fight was to have been held on the football gridiron at Franklin Field, but the turf was too soft, and the battle was transferred to the grounds of the commercial museum near by.

There were 700 men in the struggle, 100 sophomores and 300 freshmen.
